A GREAT PLACE TO LEARN

OUR SCHOOL SONG

The times that we've spent here,
were filled with memories so dear.

A school where we learned, more than to read and
write.

I'll never forget my Green and White!
We've learned to share, we've learned to bear.
The times when the sky wasn't so bright.
I'll never forget, never forget my Green and White!
Thirteenth Avenue Community School!
Thirteenth Avenue Community School!

As we leave this place it will be hard to erase.
The goals that this school has brought into sight.

I'll never forget my Green and White!
We've learned to share, we've learned to bear.
The times when the sky wasn't so bright.
I'll never forget, never forget, my Green and White!
Thirteenth Avenue Community School!
Thirteenth Avenue Community School!

OUR SCHOOL PLEDGE

*P: We Are Prepared.
R: We Are Respectful.
I: We Are Intelligent.
D: We Are Determined.
E: We Are Excellent In Everyway.*

Principal's Message to The Class of 2010

Dear Graduates,

And now the work begins...the joy begins...

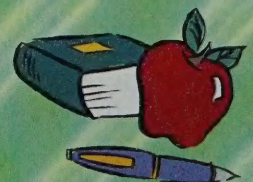

The hopes of your parents and the lessons of your teachers have all brought you to this moment. What will you do? Be assured that question is in the minds of your elders, your parents, and your teachers. We are all hoping that enough of the right seeds have been planted, and you now have the courage and the desire to water them faithfully and purposefully.

The future is always unknown and will no doubt bring you challenges, obstacles and insurmountable joy. Be brave! Be persistent! Never be afraid of life! Life is beautiful because it is yours! Always be a leader in your own life. Being a leader means being prepared. Be tenacious with your goals and remain positive, disciplined and focused. Learn that tough times are a part of the journey and that challenges make life interesting. Even though life can be painful and frightening at times, the greater the obstacle, the more glorious the success.

You are now Prepared! Always be Respectful! Show your Intelligence! Stay Determined! Be Excellent in everything you do! I'm proud of each and every one of you. Go out and transform your world. Keep PRIDE a priority! Welcome to your graduation and Congratulations!

Lynn Irby Jackson

Vice-Principals' Words of Wisdom' to The Class of 2010

Always remember that a meaningful standard to live by produces right thinking, and that right thinking produces right choices. Never build your life on chances. Your destiny is defined by choices you make.

Mrs. Geneva Roberts

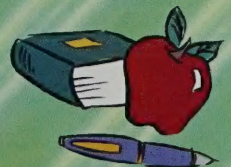

It is these memories boys and girls that show the fine quality of the Graduating Class of 2010. I would like to pay tribute to each and every one of you. As your Vice Principal I am so very proud of you. You will continue to leave an unforgettable legacy of excellence, achievement and high standards for generations to come. I would also like to pay tribute to the wonderful teachers and parents of Thirteenth Avenue School. You have all guided, molded and shaped the boys and girls of this graduating class. Your role has been hugely instrumental in molding our youth...our hope for the future. Our future seems destined to be in capable hands. The Graduating Class of 2010 has achieved exceptional accolades; perhaps too many to highlight or to single out like the success of our debate team or how quickly we rose to the aid of a family in need and those suffering in Haiti. I believe that the vast majority of pupils strove to work to their potential, they aimed high, they set their goals and for the most part, they not only achieved them, but in fact surpassed them.

So boys and girls, as you face and tackle the inevitable changes, hold true to yourself. Remember to hold onto your values, your work ethic and most importantly, your humanity. It is these qualities that will guide you further on your journey.

Your life is a remarkable occasion- I have no doubt that you will rise to it with PRIDE!
